COMPTROLLER

MEMORANDUM FOR DEPUTY CHIEF MANAGEMENT OFFICER

SUBJECT: Department of Defense (DoD) Standard Chart of Accounts (SCOA) in Standard Financial Information (SFIS)

The Office of the Under Secretary of Defense (Comptroller) (OUSD(C)) has the responsibility to update and publish the DoD SCOA in concert with the Office of Management and Budget (OMB) and Department of Treasury guidance. OMB and Treasury published revised guidance in August 2012. Accordingly, revisions were to be made to the DoD SCOA.

The revised DoD SCOA for FY2013 is attached. While the majority of the revisions are based on OMB and Treasury guidance, additional changes made are due to the continued streamlining and verification of current SCOA. This results in the deletion of 97 accounts, the revision of 34 accounts and the addition of 29 accounts.

The attached documentation includes a Summary of Changes (TAB A), the DoD SCOA (TAB B), and Account Definitions (TAB C). A new section listing the Legacy Accounts used in the Defense Departmental Reporting System (DDRS) only (TAB D) is also attached. Legacy Accounts are not part of the DoD SCOA, but are provided as information only. We request that the DoD SCOA, along with the associated definitions, transactions, and posting guidance, be posted on the SFIS Resource web page by November 15, 2012.

Your continued support to improve the DoD financial management is greatly appreciated. My point of contact is Maryla Engelking, who may be reached at 702-602-0155 or at maryla.engelking@osd.mil.
